- How is Gaza's civilian population, especially the health system, being targeted?
- Is humanitarian aid still possible in Gaza, and what are medico's partners doing?
- What's the current situation in the occupied West Bank, and how can we understand it in a wider political and social context?
- What role does the international community play, and why is international solidarity so important? How can we actively contribute in Switzerland?

Join us for a discussion on the urgent realities in Palestine!!!

The event will be held in English
